CONTRIBUTORS OF ARTICLES

C. E. Allen is assistant professor of accountancy at Lehigh University, Bethlehem, Pa.

Sterling K. Atkinson received his Ph.D. at Columbia University in 1934. He is professor of accounting at Temple University, Philadelphia.

Henry W. Ballantine is professor of law, School of Jurisprudence, University of California. He was draftsman of the committee of The California State Bar on revision of the California General Corporation Law (1929, 1931, 1933).

Jesse B. Blayton is in charge of the department of accounting at Atlanta University and affiliated colleges. He is also a mmeber of the accounting firm of Blayton, Adair & Company, Atlanta, Georgia.

Daniel Borth is an instructor in the department of economics at the University of West Virginia, Morgantown, West Virginia.

Thomas W. Byrnes is assistant professor of accounting, Columbia University, and member of the accounting firm of Byrnes & Baker, New York.

Geoffrey Carmichael is instructor in accounting theory and income taxes in Indiana University.

Ralph Cassady, Jr. is a member of the accounting department of the University of Minnesota.

W. B. Castenholz is director of the Department of Higher Accountancy of LaSalle Extension University, Chicago, and also is dean of the LaSalle Higher Accountancy Residence School. He is a member of the accounting firm of Castenholz & Dittmar and is the author of books on auditing, cost accounting and income-tax procedures.

Henry T. Chamberlain is dean of the School of Commerce at Loyola University, Chicago, and is in charge of the accounting courses given at that institution.

Clem W. Collins has been professor of accounting at the University of Denver since 1918 and is co-author of the well known *Assessors' and Appraisers' Manual.* The accounting firm of Collins, Witting & Company, of which he was a member, has been dissolved and Mr. Collins is continuing his practice under his own name.

S. J. Coon is dean of the College of Economics and Business, University of Washington, Seattle, Washington.

Emma Corstvet (Mrs. K. N. Llewellyn) is research assistant in community studies with the rank of assistant professor in the Yale Institute of Human Relations.

William T. Crandell was a graduate student last year at the University of Michigan. His paper on income constitutes a part of his doctoral thesis entitled "The National Income Accounted for and The National Wealth Controlled by the Privately Owned Electric Light and Power Industry in Continental United States 1921–1931."

E. C. Davies is associate professor of accounting of the School of Commerce, McKinlock Campus, Northwestern University. He has been assistant dean in the Chicago division of the school since 1923, and is the author of the school's textbook on auditing.

Harvey Deinzer was a student last year in the School of Business Administration at the University of Michigan.

L. O. Foster is assistant professor of economics at Adelbert College, Western Reserve University, Cleveland, Ohio.

Walter F. Frese holds a C.P.A. certificate from Illinois and is an instructor in accounting at the University of Illinois.

C. A. Fryxell is professor of accounting at Augustana

College, Rock Island, Illinois, and holds a C.P.A. certificate from the State of Illinois.

J. C. Gibson received his B.A. degree from the School of Commerce, University of Wisconsin. He is associate professor of accounting at that University and has been a member of the Wisconsin Board of Examiners.

R. E. Glos is associate professor of business and assistant dean of the School of Business Administration, Miami University, Oxford, Ohio. He is in charge of the work in accounting at that school.

Willard J. Graham is assistant professor of accounting at the University of Chicago and is co-author (with Professor Wilbur G. Katz of the law school) of *Accounting in Law Practice*.

Howard F. Greene is a lecturer in accounting and assistant in a C.P.A. review class at Northwestern University.

Robert P. Hackett is associate in accountancy at the University of Illinois. He received his B.S., M.S., and Ph.D. at the same school.

George S. Hills is a member of the firm of Menken, Ferguson & Hills, New York City, specializing in tax and corporation law.

H. G. Kimball, who is a certified public accountant in California, has recently been appointed to the staff of the Securities and Exchange Commission in Washington, D. C.

Harry L. Kunze is assistant professor of accounting at the University of Wisconsin, Extension Division, Milwaukee, Wisconsin.

G. E. Lukas is an instructor in accounting at the University of Illinois.

Perry Mason is associate professor of accounting at Antioch College, Yellow Springs, Ohio.

Malcolm P. McNair since 1931 has been professor of marketing at the Harvard Graduate School of Business Administration. He is the author of several books and will be remembered for his previous article in the Review on the retail method.

H. C. Miller is associate professor of accounting at Ohio State University and is co-author with Howard Greer of a book of problems in cost accounting.

Paul L. Morrison is a member of Sheridan, Farwell & Morrison, Inc., investment counselors, and is associate professor of finance at Northwestern University.

Edward G. Nelson is an instructor in economics at Stanford University, California, and received his Ph.D. degree from that school in 1932.

S. H. Nerlove is associate professor of economics at the University of Chicago and is well known in the economics field for his writings on income.

Howard S. Noble, this year's president of the A.A.U.I.A., has been Chairman of the Department of Economics at the University California at Los Angeles since 1922.

Robert E. Payne is a member of the firm of Lawrence Scudder & Co. The article by him was delivered before the Corporation Law Committee of the Chicago Bar Association in February of this year.

T. H. Sanders is professor of accounting at the Harvard Graduate School of Business Administration.

Leo A. Schmidt is associate professor of accounting at Marquette University.

C. Aubrey Smith, associate professor of accounting, School of Business Administration, University of Texas, spent the summer months with the Registration Division of the Securities and Exchange Commission in Washington.

Henry W. Sweeney recently resigned as assistant comptroller of C.I.T. Corporation to accept a position with the Federal Communications Commission, Washington, D. C.

H. F. Taggart is associate professor of accounting at the University of Michigan.

Jacob B. Taylor is professor of accounting and chairman of the Department of Accounting at Ohio State University.

R. Emmett Taylor is professor of business law and accounting at the University of Cincinnati.

Edwin L. Theiss is associate professor of accounting at the University of Illinois.

Harry H. Wade is assistant professor of accounting at the State University of Iowa and holds a C.P.A. certificate from Iowa. He is the author of *Fundamentals of Accounting*, a text designed primarily for a survey course.

Arthur H. Winakor is statistician for the Bureau of Business Research at the University of Illinois.

S. G. Winter is head of the division of accounting, College of Commerce, at the University of Iowa and is the author of a well-known text on C.P.A. problems.

Walter Young is an instructor in accounting at the Walton School of Commerce, Chicago. He holds a C.P.A. certificate from the State of Indiana.
